All qualifying part-time students (undergraduate six or more credit hours) and part-time graduate students (four and a half credit hours or more) who actively attend classes for the first 31 days after the date when coverage becomes effective are eligible to enroll in this insurance plan on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured has Dependents and is issued a court or administrative order to provide insurance for those Dependent(s), the Dependents are eligible for insurance without enrollment restrictions:
 - a. On the date the Named Insured is ordered to provide insurance for said Dependent; and
 - b. We receive a copy of the order within 30 days of the date the court order or administrative order is issued.
3. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
