

THOMAS R. KLINE SCHOOL OF LAW

As the first law school founded by a major research university in the past 30 years, Drexel's Thomas R. Kline School of Law combines the strengths and diversity of Drexel University's work in engineering, science, business, and health care with a rigorous legal curriculum and immersive professional opportunities.

Taking advantage of its location within a rich legal community in the city of Philadelphia, law students engage with practicing lawyers through cooperative education and pro bono programs as well as a variety of experiential learning opportunities in a vast range of practical settings.

Through collaboration, personalization, and flexible program lengths, Kline students receive an exceptional academic experience as they learn from world-class faculty who are accomplished law practitioners. Students then graduate from Kline ready to address the unique legal challenges of the future. The next generation of leadership begins here.
